The following should be noted:

1. A minimum of 70% of the total cost will be required as down payment before books will be dispatched to students.
2. Students will be able to access the e-Learning portal only after the payment and receipt of their books.
3. Situations may occur where the delivery time after payment may take longer than stated above.
4. Books will be couriered to the nearest PEP store, alternatively, students can walk-in and pick up the books by themselves.
5. The cost of sending the books by courier will be borne by the students
