Re: POLICING POE - FEEDBACK

The POE that you have completed for the certificate issuance purpose has been returned to the college due to the following reasons stipulated below:

1. The assessor and the moderator of the POE found that some parts were incomplete.
2. There was no formative assessment in the POE.
3. The POE was not signed, and this affects the authenticity of the POE which you have done.
4. The provider of the qualification was not written, and this is compulsory.
5. The documents required such as CV, Matric certificate, and ID/Passport certified copy were not included.

We herewith request you to come and collect the POE so you can make the necessary adjustments.

Please note that when you are coming, kindly contact the college beforehand, so that all the documents required can be prepared for you on time.

For more information contact me on: academics@hillcrosscollege.com

cc: Thobekile.k@hillcrosscollege.com

Thank you.
