Re: FILM AND TV POE - FEEDBACK

This is to inform you that your POE has been returned to the college and deemed incompetent/incomplete due to the following reasons stipulated below:

1. The assessor and the POE moderator discovered that some parts were incomplete.
2. There were no declarations from the learner.
3. The POE was not signed, affecting the authenticity of the POE you have done.
4. The provider of the qualification POE moderator discovered not written and this is compulsory.
5. Only summative was completed, there was no formative assessment in the POE.
6. The documents required such as CV, Matric certificate, and ID/Passport certified copy were not included.

Based on the above-listed outcomes, we herewith request you to come down to the College to collect the POE so you can make the necessary adjustments.

All students will be guided by their respective facilitators on their POE.

Please contact the College beforehand before coming, so that all the documents required can be prepared in advance for you.
